

Compliance with the UK WEEE Regulations

JCC Lighting Products Limited is classed as a producer with respect to Electrical and Electronic Equipment (EEE) for 'users other than private households' under The Waste Electrical and Electronic Equipment Regulations 2013. Regulation 12 places an obligation on JCC Lighting Products Limited to finance the costs of treatment, recovery and environmentally sound disposal of waste electrical and electronic equipment (WEEE) from our customers where that WEEE:

- (I) Is composed of equipment sold to our customers before 13th August 2005 and that is being replaced by products from JCC Lighting Products Limited of the same type or that perform the same function.
- (II) Is composed of JCC Lighting Products Limited equipment purchased by our customers after 13th August 2005.

Where JCC Lighting Products Limited is responsible for Waste Electrical and Electronic Equipment (WEEE) under scenarios (I) or (II) above, we will meet our obligations to finance the treatment, recovery and recycling costs.

JCC Lighting Products Limited meet our responsibilities under the WEEE Regulations through membership of a WEEE Compliance Scheme, our chosen partner DHL, are able to manage the process of WEEE collection, treatment and recycling in accordance with the standards laid out within the Regulations.

To arrange a collection of Waste Electrical and Electronic Equipment (WEEE)

Please contact JCC Lighting Products Limited to allow us to ensure that the correct procedures can be implemented.

For clarity, where customers wish to dispose of Waste Electrical and Electronic Equipment (WEEE) that is:

- (I) Composed of equipment purchased before 13th August 2005 but that is not being replaced by equipment of the same type or that performs the same function then the customer retains responsibility for disposal under The Environmental Protection (Duty of Care) Regulations 1991.
- (II) Composed of equipment purchased after 13th August 2005, then the original producer of the equipment retains responsibility for financing the costs of the collection, treatment, recovery and environmentally sound disposal – subject to the provision that this responsibility has not been passed on to the customer through any terms of the original purchase contract.
